**RE: New Partnership Program with Wurth Canada**

Dear Members,

We are pleased to announce a new partnership with Wurth Canada.

Wurth is the global leader in the industrial supplies market, with operations in 85 countries and over 82,000 employees worldwide.

Their main growth drivers and industries they service are construction & industrial segments, and they also service many of our Trades and Tradespeople across the country.

They have recently opened up their first state of the art store in North America, located at 156 Chrislea Road in Vaughan, Ontario (main intersection is Weston and 7).

They also plan on opening an additional 4 stores in the GTA in the next year or so.

The store houses over 4,000 products including, fasteners, tools, chemicals, abrasives, electrical components, PPE and much more.

They have agreed to give all members **15% every purchase** by presenting your Union cards, and furthermore, if the store is not accessible by any of you, they will also offer a 15% discount on their new online store: [shop.wurth.ca](https://shop.wurth.ca) by entering promo code **LOCAL183** at checkout.

We hope this partnership will be a benefit to many of you, and Wurth looks forward to servicing you in the near future!

Best Regards,

**Goran Abramovic**  
VP of Retail Sales & Operations
